

## Video Example: Chalk Transcript

Andrew: Look at this color.

Teacher: What is that?

Andrew: Orange

Teacher: Okay. I'm looking at it. I see a lighter color here and this wet part right here is a little bit darker. See that?

Andrew: Nods head yes.

Teacher: What happens when you put it in the water?

Andrew: Umm... its... ahh... wait, let me do it.

Teacher: Okay.

Andrew: Whoa! It goes more lighter.

Teacher: It becomes lighter when you put it in the water?

Andrew: Look.

Teacher: Let's see, let's look at it carefully. Does it look lighter on top, or lighter on the bottom?

Andrew: Lighter on the bottom.

Teacher: And darker on the top?

Another boy: Where's your keys?

Teacher: Ah, Carlos has them. So the water made it lighter or darker?

Andrew: Lie... darker.

Teacher: Mmmhmmm
